Federal Financial Responsibility Composite Scores

Message to the U.S. Department of Education urging them to review and update the Federal Financial Responsibility Composite Scores

“Since the impact of COVID-19 will not show in the scores for two years, and since NC-SARA permits states to provide a degree of flexibility in considering additional financial information in decision making, NC-SARA reaffirms its reliance on the use of the federal financial responsibility scores. In the meanwhile, NC-SARA urges the U.S. Department of Education to act promptly to complete its review of and improve its standards and procedures for assessing financial stability and responsibility and make improvements for both the short and long term.”
NC-SARA Strategic Plan

NC-SARA contracted with Brainard Strategy beginning in October 2019 to design and facilitate the creation of a strategic plan for NC-SARA.

The plan gives NC-SARA:

• Understanding of what we do well and not well.
• Defines what we want to become, and have a cogent plan to get there.
• What we don’t do – it draws boundaries around the scope of intentions.
• Offers goals and direction for management and resources.
• Drives behavior and brand.
NC-SARA Strategic Plan

The Committee developed a three-year plan with the following strategic objectives:

1. Develop and communicate a clear, compelling message to constituents regarding the value proposition of NC-SARA.
2. Employ NC-SARA’s broad collaborative relationships with accreditors, states, and institutions to promote improvements in access to, and quality of distance education programs.
3. Achieve operational excellence.
4. Continuously strengthen the partnership with regional compacts and states to seamlessly align and deliver value.

Key performance indicators (KPIs) were also developed.
NC-SARA Strategic Plan – Next Steps
