

## NC-SARA Institution Advisory Committee: 2022

### Purpose:

The purpose of the NC-SARA Institution Advisory Committee is to collaborate with and advise NC-SARA about needs, engagement priorities, and programming for institutions (e.g., the annual *In The Field* institution conference, workshops, webinars, online training modules, etc.). The Committee will serve as an important component of the SARA community to help harvest from and share effective practices across the field to support SARA compliance; to be a direct voice from institutions in planning programming; and to get feedback from institutions on ideas. The Committee will serve in an advisory capacity to NC-SARA and the regional compacts' SARA dedicated staff, with virtual meetings three times per year and engagement by email in between.
